

GEO Québec 2026

79TH CANADIAN GEOTECHNICAL CONFERENCE

PARTNERSHIP PLAN

About the conference

The 79th edition of the Canadian Geotechnical Conference, initiated by the CGS, will be held at the Québec City Convention Centre, which offers ample space for the opening plenary session, awards banquet, and closing ceremonies with all attendees.

In addition to plenary and technical sessions, and a poster session, GéoQuébec 2026 will feature an exhibitor's lounge where geotechnical suppliers, consultants, contractors, and other organizations will be able to showcase their latest products and services.

The conference program will be extensive, allowing for the expansion of geotechnical boundaries in a rapidly evolving world. Sponsorship will position your organization among Canada's leaders in the geotechnical field.
